ASK US ABOUT OUR PRIVATE TASTING EVENTS  
& “HEALTHY AT HOME” TASTING FLIGHT KITS

## BOURBON FLIGHT

-  **WHISKEY BEAR SELECT TASTER FLIGHT** 16  
Pick any 3 of our available Whiskey Bear Barrel Selects - 0.5oz each  
*Notes: We take great pride in our Private Barrel Select Program at Whiskey Bear. We carefully chose each of these barrels for their superior aroma, flavor, mouthfeel, and finish. We love them all and hope you will too!*
-  **THE BOTTLED-IN-BOND SHOWDOWN FLIGHT** 15  
E.H. Taylor Small Batch, Old Forester 1897, Wilderness Trail - 0.5oz each  
*Notes: The Bottled-In-Bond Act of 1897 was the first consumer protection act in United States history. It was put in place to protect the public, as well as licensed distillers, from unscrupulous people who would try to stretch barrels of whiskey by adding colorings, flavoring, even gasoline and other poisonous liquids. To this day it remains one of the strictest designations in the spirits industry worldwide.*
-  **CASK-FINISHED BOURBON FLIGHT** 20  
Isaac Bowman Port-Finished, Goodwood Stout Barrel-Finished, Joseph Magnus Triple Cask-Finished - 0.5oz each  
*Notes: Cask-finished whiskeys have been a mainstay in Irish and Scotch whiskey cultures for a long time, but are relatively new to the bourbon world and are gaining popularity in the US. Today, we are seeing bourbons finished in all kinds of casks, including sherry, cognac, brandy, rum, wine, and beer, and others.*
-  **TOP SHELF BOURBON FLIGHT** 39  
Angel's Envy Oloroso Sherry-Finished, Forged Oak 15yr, Kentucky Owl Batch 8 - 0.5oz each  
*Notes: Each of these top-shelf bourbons have been carefully selected for their superior aroma, flavor, mouthfeel, and finish.*

## RYE FLIGHTS

 **KENTUCKY SELECT RYE FLIGHT** 18  
New Riff Single Barrel Rye, Russell's Reserve Single Barrel Rye, Wilderness Trail Single Barrel Rye - 0.5oz each

*Notes: These three whiskeys showcase the wonderful variety of flavors that Rye whiskeys can offer. From fresh and grassy with flavors of a summer garden, to deep, rich baking spices with caramel and honey, your taste buds are sure to enjoy this flight.*

 **TOP SHELF RYE FLIGHT** 33  
Willett 10yr, Michter's 10yr, Kentucky Owl Batch 2 - 0.5oz each

*Notes: While these may not be considered "unicorns" in the whiskey world, they are definitely among some of the most sought after Rye Whiskeys out there. Each of these have remarkable depth of flavor with an exceptionally long finish, and we feel they are worthy of any top shelf distinction.*
